

Bo Diddley Road Runner

(basically std blues in E)

I'm a road runner, honey

Beep beep
Beep beep

Aaaah aaah aaah
Beep beep.

I'm a road runner honey
And you can't keep up with me
I'm a road runner honey
And you can't keep up with me
Come on let's race
Baby baby you will see

Here I come
Beep beep

Move over honey - let me by
Move over baby - let this man by
I'm gonna show you baby
Gonna put some dirt in your eye

Here I go

[bridge]
Oh yeah how am I doin'?
Beep beep

Take my hand baby
I'm gonna prove to you
that I'm a road running man
I wanna show you something
That I'm the fastest in the land

Now let me by
Beep beep

Oh yeah you say you's fast
But it don't look like you're gonna last
Goodbye I've got to put you down
I'll see you some day
Baby, somewhere hangin' around
